1 year parts - unlimited mileage/hours

(Full warranty disclosure available upon request)

Each Running Complete is Dynamometer Tested!

Live-run dynamometer testing of every running complete diesel engine to assure trouble free engine performance. Engines are tested under varying loads to simulate in-the-vehicle operation. The test is concluded with a final engine run-in and inspection to assure peak performance and operating efficiency.

Core Policy:

This core falls under our "Hassle Free" core policy which states: Full core deposit will be refunded if there are no visible holes or cracks in the exterior of your engine core. (Core being returned must be like for like, no junkyard cores will be accepted.)

Note: This engine will NOT include: Fan, Flywheel, Starter, Alternator, External Wiring Harnesses, ECM, Accessory Drives, etc.

Remanufactured in the U.S.A.
